

SHAGGERS

WITH HEARTS

is an effort to help the victims of the recent flooding in South Carolina (many of which are shaggers) overcome the devastation.

The Association of Carolina Shag Clubs, The Society Of Stranders, The Beach Shaggers Hall of Fame, The Keepers of the Dance, the Competitive Shaggers Association, the Junior Shaggers Association the Association of Beach And Shag Club DJ's, the beach bands and other groups as well as all of the local and beach lounges that play shag music represent thousands of wonderful, caring shaggers.

Imagine The Impact We Can Make If Every Shagger And Every Group Will Donate Something!

To participate, please go this exact internet web site:

100% of all donations go directly to the American Red Cross via a web site they created to recognize all of the "Shaggers With Hearts" for helping out!
