We need to **clarify** the following:
Jack will call Corinne Grimaldi the HTF coordinator to ask her to clarify the paragraph about a **"broader programming class schedule for the day."**
Would we be scheduled to do a 30 minute demo during the **broader programming**?
Will "broader programming" be in an area separate from our demonstration booth?
They suggest we have our booth near the "broader programming" area.
Do we want that?
He will request a space **larger than 10' x 10'**

We will opt into the **Partner Spotlights program** and provide our organization name, photo of Vaughn & Cathy dancing (and a back-up photo of Craig & Heather), our logo, website, FB page, a brief description, and a point of contact.
Jack will ask for tips on the **best photos** for the design.
With the Partnership we will be featured on HTF's social media accounts.

We will receive a Marketing Toolkit at the end of April.
We will receive a 2025 Partner Guide mid-May with details of our space assignment, Logistics (parking, setup/takedown, etc.), event activities, rain plan, and other important information.

Linda will bring two **10 x 10 tents.**
Kathy will bring **tables**. We will need **chairs**.
Jack will bring **computer and speakers**. Pamela also has speakers.
Mark can bring **brochures**, **cards** and left-over **swag** from the SOS parade.
Linda will bring back-up snow-blower **batteries with 2 USB ports and 2 power outlets** – just in case we need extra power.
Whoever has the **banner** will bring it. We will need **string** to hang the banner.
We will give away **free passes** to our dance.

We will have a demo and lessons on the half hour.
We will demo Shag dancing and a line dance.
Jack can possibly **stream a line dance** on his computer.
