Keep on Shaggin'

June 1994

From the President - By Dee Bassett

Dear Members:

It's vacation time! A time for all of us to get that much needed break from the routines of our days.

There could be a Shag Club where you are going, or even on the way. Call me, I have a list of all Shag Clubs in the Association, and would encourage you to visit wherever you are.

It will surely add to your fun and relaxation, and you'll be a No. Va. Shag Club Ambassador.

Travel Safely and Enjoy!

Treasurer's Report- by Dave Rapson

Our Club has \$432.51 in the bank. All our obligations are paid, and we have made \$240 from t-shirt sales. There are a limited number of Shag Buttons and t-shirts still available. See Dave or Libby for the First Edition of each!

Memorable Dances at Fat Harold's and Ducks - by Larry Boyer

With my advancing years I hesitate to declare any event memorable. However, these, I believe, will be with me a long time.

First, I want to say to all No. Va. shaggers who have never been to the S.O.S. Spring (or Fall) Safari at Myrtle Beach: You should definitely put it on your calendar. But, be prepared to make it a tradition. It's great fun, the dancing is the best you'll find anywhere, and the people you meet are the friendliest you'll find anywhere.

I did indeed have a memorable dance at Harold's. However, you'll just have to ask me about it, since it is somewhat X-rated and I'd rather not put the editor "on-the-spot." (*?)

The highlight of the trip for me was, without a doubt, my dance with Jackie . . . YES! the Jackie of Charlie and Jackie. I had just walked into Ducks on Saturday afternoon, and was making my way to the lower level dance floor, when I saw her. There she was, just having a good time like everyone else. Fortunately, Larry Camp was with me. Thanks to his considerable prodding I was able to muster enough courage to ask her to dance. She consented, and the dance was fantastic . . . at least from my point of view. At the start I was so nervous I could barely remember how to do a basic. But, after doing the basic many times, I settled down. By the end of the song (I have no idea what it was), we had done several of the mirror patterns on the Charlie and Jackie tapes, including the one she invented (Applejack). After the dance I moved to the bar to celebrate with a beer, when I noticed my knees were shaking like I had just been chased over a fence by a mad bull.

(*Editor's note: What?!)

Magic Maydays Weekend

The weekend event, May 13-15, given by the Boogie On The Bay Shag Club was fun and oh-so-well planned. The FOOD was fantastic(!); the MUSIC and the DANCING were just fabulous; and the PEOPLE are really great! They welcomed us and made us feel right at home.

We got in enough dancing to last the rest of the month (*well, some of us did*), and came away with new friends -- some of whom may be coming up here to dance with us soon! We had a very large time with BOTB!

Did ANYONE Notice?? Shag Tag!

Due to the efforts of BARBARA TAYLOR of the Roanoke Valley Shag Club, we each have the exciting opportunity to own a SPECIALTY LICENSE PLATE representing the Shag Clubs of Virginia.

Unless we act QUICKLY, however, this chance may be lost! Presently, 150 applications, accompanied by a \$10 check to DMV are required before the plates can be issued; Barbara says she now has 100 applications. New regulations may soon require 1,000 or more applications before specialty plates can be issued, if at all!

If you currently have a personalized tag, those same letters can still be used, if there are a total of 6 letters (and one dash). Personalized letters or numbers are not necessary to have the SHAG TAG, though.

Please let DONNA HARRINGTON know if you are interested. She has the necessary forms from DMV. See further information included with this newsletter. Let's make this happen!

Dear Phil:

We've been home about a month now and have been reluctantly settling down to the reality of everyday existence! We have been so busy telling people about our Carolina experiences—through our newsletter, promotional performances, personal contacts, and the like—that we find we are long overdue in getting this personal note to you.

Phil, we can't tell you how much fun we had! We talked to the six other American Dance Ensemble members who came on the trip about their reactions. They all thought the performances at the O.D. Cafe and Fat Harold's were among the most memorable adventures they'd ever had. The reception we got was truly exhilarating! Thank you, thank you, thank you for all your support and hard work in promoting our group and our message. We also appreciate you and Chick hosting our delightful "night on the town."

We are enclosing a copy of the newsletter article that sums up, in a kaleidoscopic way, our combined impressions of the trip. The national dance magazine, *Dancing USA*, will also publish some version of it. We hope it conveys in some small way our appreciation. Again, thank you.

Very truly yours,

AMERICAN CULTURAL ARTS SOCIETY
