January 1997

From the President - By John Belt

"HAPPY NEW YEAR!"

Do we mean, we are happy because the old year is over, or because the New Year starts?

I for one hope 1997 is as good to NOVA Shag Club as was 1996. Our successes were many, our failures few. We, the Board, have set our goals high and with your help we will accomplish them.

During the course of the year we will be asking for your help with some of our upcoming events. Join a committee -- be active -- help us to help you. Don't be the "somebody who thought everybody would do what anybody could, but nobody did." Our membership has really grown; however, we need to continue this growth. Invite someone to share our dance.

Most of you know I enjoy to party, and party we will. Just a reminder of upcoming events: Super Bowl Sunday; St. Patrick's Day; and our own Capital Shag Classic, all of which as you know were huge successes. So, I say, good-bye to the old and hello to the new.

John Belt, the new President of NVSC, recently underwent back surgery, but will be back with us soon! Best Wishes for a Complete and Speedy Recovery, John!!

The Life and Death of a Dance Floor..... (or, You Wanna Play? You Gotta Pay)

SHAGGERS -- *you know who you are* -- you need to come out on Wednesday nights to shag and party with your friends at Deja Vu. Recently, we have seen a decrease in attendance by our regular members on Wednesday nights, which brings to mind a "fact of life" that sometimes seems to escape us . . . if you wanna play, you gotta pay....

In the past we've heard the sad news of sister shag clubs losing their dance floors due to lack of participation and support by their own memberships. And we've seen other local dance clubs struggle to find a new place to dance after losing their space -- often with little or no warning.

We are fortunate to have our "home" at Deja Vu. The space is large enough to accommodate a very large crowd of shaggers and friends; it is in a good location, convenient for most people and easy to find; Wednesday nights are dedicated to our Shag Club and Beach Music (this is the *only* place where this is happening in the entire area, folks); and the cover charge is only \$2.00. That is a small price to pay in the D.C. Metropolitan Area to enter a dance club with such a pleasant environment. You can socialize and dance with great people, and single ladies can go there and feel safe.

Other dance clubs in this area charge a much higher cover -- \$5 or even \$10 is the norm. They have to, in order to stay in business! It seems that dancers generally do not drink or spend enough money to support the establishment that is supporting their activity. But it is not necessary to buy alcohol, if you don't want to drink and dance. Buy soft drinks, or juice -- Deja Vu offers a variety of juices at the bar that are delicious and healthy. Go early and buy dinner or a light snack; Blackie's is an excellent restaurant, *and they'll serve you right at the bar in Deja Vu!*

A dance floor represents a large investment that must earn a profit, or it will cease to exist. Blackie's has to make a profit to stay in business, that's a "fact of life." The bartender, DeeJay and other employees are there working to earn a living. They are not volunteers who are there just to hang around with us. If most of the income is being generated by the patrons on the "other side" and the kids on the weekend -- and the shaggers are not spending enough to make it worthwhile to open Deja Vu and pay a doorman, a bartender and a DeeJay -- what do you think will happen?

The important thing is to **COME OUT and SUPPORT YOUR CLUB**; buy something -- anything -- to pay your share toward keeping that dance floor. And remember, if you wanna play, you gotta pay.

FOR SHAGGERS ONLY...

Dear Readers: Do you have shag questions or problems that you need help in resolving? Gabby (Shagmaster's alter ego and "better half") will give you the help you need. Call or write to Gabby, c/o the Editor.

Dear Gabby:

Leaving Deja Vu last Wednesday night, I found a wallet in the parking lot containing fifty \$1,000 bills. Should I return the wallet and money? What if it's ill-gotten gains? Maybe I should return the wallet and keep the money? Or, keep the wallet *and* the money? What should I do?? **Finders Keepers**

Dear Keeper:

Call me right away . . . we need to discuss this in person.

Dear Gabby:

I attended NVSC's big Capitol Shag Classic weekend party last June, and I met some really cool shaggers. How can I learn to have an attitude of coolness? --**Coolness Counts in D.C.**

Dear D.C.:

Coolness cannot be taught; it is a state of being, emanating from within. It is possible, though, to absorb some degree of coolness by hanging around cool people. You can increase your coolness quotient at weekend shag events, or, best of all, at SOS in N. Myrtle Beach. Might pick up some new shag moves, too.

Got a question? Call or write to Gabby, c/o the Editor.

Shagging Tips

- Listen to the Beat of the Music, and Step On The Beat.
- Shag is danced on a slot in a back-and-forth movement, not in a circular movement. Imagine that your hand is on a post and you're moving toward and away from it.
- Take SMALL STEPS for better control.
- Body movement is basically from the waist down, with knees slightly bent. Do not bounce! *Glide* -- as if on skates.
