July President's Letter by Vesta Jones

oooooh my goodness...it seems like we are barreling toward the Classic with ever increasing speed...at this point in time (June 21, 1999) we've sold 175 tickets...and they're coming in at an ever-increasing rate.

This is WONDERFUL.

And the committees are really kicking in ... Heather is overall coordinator, David Rodgers is coordinating hospitality, Joan McKinney is doing decorations, Janis and Craig have done their dance/music thing respectively ... if asked to pitch in, please say yes. If everyone does a little bit, all of us will have a great time, and the party will be a huge success...again.

We have a lot of folks coming from out-of-town and other local dance clubs...if you see faces you don't recognize, please go say **WELCOME** and tell them who you are. It is this very trait of our club that has earned us the reputation as a warm and friendly crowd...and **PLEASE** remember to do the same thing on Wednesday nights at Nicks. Remember how you felt when you were the new kid on the DC shag block? Take a few moments away from the familiar faces and your comfortable group of friends...go introduce yourself to someone you don't know, ask their name and tell them we are glad they came to shag with us.

Oh yeah...and ask 'em to shag... (that means you, too, ladies!) ... even if you think your level of dancing is not equal to theirs in any direction, remember it is the invitation they will remember. Making someone feel welcome always makes me feel good...try it!

SO SORRY

Well, Northern Virginia Shag club gave a new meaning to "No Frills" Saturday night at the Springfield/Lorton VFW. "No Frills" was intended to mean chips & sodas, however, no air conditioning also was part of the "no frills". It seems as if the management came in early Saturday AM and cut it off and Willie did not come on duty until 5 PM. By then the damage with the heat had been done. A room that size is impossible to cool down in such a short time. As an apology they charged us half of the usual fee and PROMISED that it would not happen again.

It is not easy to find a large, inexpensive place to dance. I hope those who suffered through the heat will consider giving them one more shot, or if you have a place that might be a substitute, I will be glad to investigate. Our next "No Frills" is August 14th.

We need a large space like this VFW for our Christmas party because of the volume of attendance, but for smaller functions we could use a smaller place.

I really appreciate the support of the ones that were there. The ladies had not one bit of makeup left, but the men danced with us just the same. The coolest place was in the bathrooms, but there wasn't enough room in there for the DJ and us to dance.

Thank you for your consideration.
Betty Abshire, Social Chairman

FAIRFAX COUNTY FAIR

June 12, about 30 members of the Northern Virginia Shag Club, demonstrated our dance to hundreds of people at the Fairfax County Fair.

It was a wonderful way to advertise our club and the dance we love. Thanks **Vesta** for taking the time to make the connections necessary so that we could be there. Thanks **Nancy and Dennis** for the fine music that you played, with the limited equipment. Thanks to our **DANCERS**, to the ones that danced as a group and to those brave couples who put on individual demonstrations. *You made us proud.*

FLASH---SHAG DIVISION AT SWING FLING *by Janis Grimes*

Attention Shaggers! There will be a new **RISING STAR SHAG DIVISION** at Barry Durand's **Swing Fling**, held at the Sheraton Premiere the weekend of **July 30th**. Here's your chance to experience the thrill of competition-- it is scheduled for Friday night, July 30th, at **8 PM**:

ALSO, we hear that **CHARLIE and JACKIE, SAM and SARAH WEST, and MICHAEL NORRIS** will all be here at this event, so it will be a golden opportunity to take some shag lessons from the stars!

There will be a **regular Shag Division at 9 PM**, Friday night and we expect to see another dazzling display of awesome Southern Shag Talent!!! Plan to be there!

Further details will be available on Wednesday nights at Nick's or contact **Janis at 703-536-7362** or email **janigrimes@aol.com** or contact Barry directly at **Swing97@aol.com**.

SOCIAL COMMITTEE *by Betty Abshire*

The social committee has formed a sub-committee to develop a better relationship with people just beginning to enter the shag world.

Jimmy Harley and Kitty Senge are the co-chairs. Their responsibility is to solicit two club members each, making a total of four, to dance and talk to newcomers. The foursome will work two consecutive weeks. Each two week period the foursome will change.

We are experiencing a lot of interest, however, some people only come a time or two and then are discouraged and do not return. It is our mission to change that and have our reputation grow as being the most friendly SHAG club on the east coast.

When Kitty and Jimmy ask you to participate, please don't turn them down. After all, it is only for two weeks and you know what?!!, you might get to like it and become a welcoming committee yourself without a nudge.

Thanks for your help.

DO YOU KNOW WHERE THE CLASSIC IS?

We seem to have some confusion. There are two Holiday Inn's in Old Town Alexandria.

Our **CAPITAL SHAG CLASSIC** is at the Holiday Inn at **FIRST AND WASHINGTON STREETS**. This is at the **NORTH END** of Old Town.

Directions from all directions are available on the information table Wednesday night or email **vms@olg.com**.

WANTED: Lots of volunteers! *by Heather Jennings*

The **4th Annual Capital Shag Classic, July 23-25**, is just around the corner.

Also, for those who may not know, the Northern Virginia Shag Club owns its own dance floor which is used during the Classic. This floor must be put down on Thursday night (July 22) in preparation for the weekend event and then taken apart and loaded back up for storage on Sunday (July 25). We are in need of volunteers (big, strong ones are good, but all help is accepted!!) to help with the floor assembly/disassembly.

If you'd like to help with the **dance floor**, please contact **Gary Salpini** at **703-425-2848**. Thanks again and see you shaggin'!

WE ARE REAL LUCKY

by Jimmy Harley

I want to share this with everyone who lives and dances in the Washington/Baltimore/Northern Virginia Metro Area. Fast Dancing people; Hand dance, Shag, Swing, Bop or Jitterbug whatever your style, this article is addressed to all of you!

Please read and think about **Dance**, how important it is to **YOU**? I was listening to people during SOS and they were commenting how lucky we are, to have so many dance events and Four Great Dance Organizations in our part of the world: HDA, DC Hand Dance Club, NVSC and the Potomac Swing Club.

These folks, who were envious of us, live in towns where they have two, maybe three dance events all year. We sometimes have three events the same night. We are fortunate to have hard working people, in the past, present and hopefully the future who care about Music and Dancing, because of their efforts, we all benefit, have places to socialize and dance at least three times a week, I am referring to **OUR BOARD MEMBERS AND OUR DJ's**.

We all need to realize how lucky we are, My friends, Rick & Helga, Ned & Jean, Mike & Beth, Joe & Brenda, Pat & Jimmy, Abbey & Rick, Valerie & Bob, Dallas & Joan, Heather & Criag, Kathryn Q and Little Diane do, some of their comments are "I belong to all the clubs, support all four clubs, like the people in all the clubs and I stay out of the politics, I have fun and love the music, lets dance, show me that step again, lets belly Roll, Where is the Band of OZ, did you ever think you would be doing this at our age, we are really lucky". When we are together the smiles on their faces tell it all. They care about the Dance and the ability to still be able to enjoy something they have done for a long time. Everyone should try to support the club or clubs you belong too, the people who do most of the work in those clubs and try to coexist.

Instead we are very critical of the Board Members and the DJ's in all four clubs. We need to stop and think, "What would it be like if they all QUIT? What would the consequences be? Maybe, nothing to do or no where to dance because of fighting, backstabbing and the constant complaining.

WE, myself included, need to stop, step back and realize how lucky we are. I spoke to some of the DJ's: Charlie Price, Dennis & Nancy, Denny & Eddie, Craig Jennings, Tommy D and Jack, they all agree that, when the floor is full of dancers, they are doing a good job and that taking requests is important. They all promised to try harder to please us. We must support them and all the places we dance or we will loose them. (HOLLYWOODS, SPURS, COLONY SOUTH, NICKS, STUDEBAKERS). I don't care if we all agree, in fact lets agree to disagree but please do not destroy this wonderful opportunity for us to enjoy the one common thing we have, **DANCE** and the ability to do it frequently. **HAVE FUN AND ENJOY THIS TIME OF OUR LIVES.**
