August President's Letter *by Vesta Jones*

What can I say? For once I am almost speechless (write this date down -doesn't happen often). This year's Classic has really put us on the map... Heather Jennings did a phenomenal job coordinating the entire event... what an accomplishment. The hotel was SUCH an improvement... The dance floor (primarily fathered and sheltered by Gary Salpini and Dave Rapson over the years with a crew of floor-helper-persons (ask Don Borja about the F'n shirts for the crew) got rave reviews from dancers from many states and many steps... it is truly a terrific dance floor... the decorations were spectacular, thank you Joan McKinney for your vision and all your helpers... and the spectacular centerpiece designed - created - produced - by Don Borja was a real sight spotlighted in front of the beveled mirrors.

Jerry and David Rogers managed the entire hospitality responsibility so smoothly and - well- hospitably. The Camps and Crew's provided a splendid free pour in the hospitality suite. And Val... just look behind any scene and you will find Val... supporting, making lists, handling reservations, making decorations, whatever... renaissance-Val we should call her.

And the guests... many guests told me how friendly our club is and how much they appreciated our members coming by and chatting and most of all DANCING with them. I even got a remark that even our doorprizes were classy.

We were lucky to have 2 shag hall of famers with us (is Betty Kane amazing or what?) and 2 DJ hall of famers with us, the president of SOS (Dr. Phil Sawyer) and his wife Chick, and 2 other SOS board members and their wives (Chuck and Shirley Ward and Hector and Carolyn Pfifer.) It was so good to have fabulous Jill and Ed from Florida with us, too. The dance demos were popular as usual, and once again we expanded our members' experience by having a wide variety of DJ's... and on top of it all... the food was excellent.

Hmmmm... it's good just to sit back and enjoy the warm feelings from a Classic weekend well done... thank you all for your help and your participation in putting on a fabulous last Classic of this century!

What a way to go out!

A "Classic" Success! *by Heather Jennings*

Whew, what a weekend! My feet are tired and my mind is cloudy (sleep wasn't a priority), but I've never been happier! This past weekend the NVSC hosted our 4th annual "weekend" party at the Holiday Inn in Old Town Alexandria. I have to say that it was an unqualified success!

Thursday evening we started off with a little "**floor get together**" party.... the floor crew - Gary Salpini, Dave Rapson, Jake Willingham, Don Borja, Bonnie Mahoney, and many other club members arrived at the Holiday Inn to put the dance floor in place. Joan McKinney and several helpers also proceeded to decorate both the ballroom and the hospitality suite with a variety of decorations. It looked fabulous!

Friday the real festivities began...dancing, then the hospitality suite (free sandwiches and free liquor) weren't those bartenders great... Jerry and Andrea Crews and Larry and Mary Camp, then MORE dancing - over 260 people danced their feet off to the wonderful music of Joanne Johnson, Brad Kinard and Larry Edwards.

Saturday the fun continued with breakfast in the morning, a fantastic line dance lesson by our very own Nancy & Dennis Gehley and then 3 outstanding shag lessons from our guest instructors, Jennifer Beaver & Brad Kinard. The lessons were followed by more dancing (music by Larry Jones!), another trip to the hospitality suite, and then a lovely buffet dinner. After dinner almost 300 people danced and partied to the music of our own Craig Jennings followed by Hall of Fame DJ, Larry Edwards. Saturday night we were also treated to some fantastic dance demos (lined up by our own Janis Grimes).

Sunday morning we were back up bright and early to hear the "Shooter Dudes" play us some Gospel Shag and then to have Mr. Charlie Price bring us on home. Unfortunately, the weekend had to end, the floor had to be removed and I had to get some sleep, but if you didn't make it to this year's Classic you missed an awesome party! **Thanks to everyone who helped make this party a "Classic!"**

Trivia from THE FLOORMEISTER *by Gary Salpini*

What weighs 6000 lbs., comes in a pile, and is the center of attraction?

Your club dance floor!

Another excellent classic! Best yet!

Once again, your hardworking, all volunteer, floor crew came through with another superb floor. New and Improved. Bigger. Smoother. Danceable to the Very Edge. A sincere thank you to all who helped. Our great floor is a trademark of our classic, and your dedication and effort make it possible.

Thanks to Don Borja for his colorful shirts (and creative genius). Thanks again to Dave Rapson for another year of safe and secure storage. Thanks to David Rodgers for his refinishing of the logo panels. Did Jerry Rodgers ever get out from working behind all of those tables?

To all of you who enjoyed the floor, the free pours, the munches, or the flawless organization - a personal thanks is always appreciated.

I just love those free pours. Who gives a damn about fire alarms anyway?
