Keep on Shagging'

Vol. VII, No 10

President's letter *by Joan McKinney*

Mea culpa. Your president has (very likely) made your Shag Rag late by delivering her message late to the editor. Blame it on SOS fatigue...although it's really that I have returned from SOS weighed down by a Great Moral Dilemma: what shall we do about DGs?...**Drunk Golfers**... Quite to my astonishment, I have learned that I personally am responsible for their infestation of the dance halls.

I must emphasize that I am not slandering the shagging golfer, or the golfing shagger. I am reliably informed (by Charlie) that even Charlie Womble swings a golf club. (Badly). In the NVSC, we have a batch of shagger-golfers: Laura Lightbourne, Roy Camp, Joe Cornish, Bob Lutz, Rob Creedon, the First Spouse, and many more. Superior human beings, all.

I speak here of those OTHER golfers...At the beach, they move in packs. There's never a woman with them, just the one left back home... They don't shag. Somehow you know this instinctively... The running shoes, maybe. You just know with absolute certainty that these shoes do NOT have dance-able leather glued to the soles.

We have made peace with DGs at Fat Harolds. Fat Harolds is huge. It can swallow them up. Besides, DGs at Fat Harolds seem to understand that they're required to stand together in only one small corner of the joint... But, at this Fall SOS, the DGs busted out of Fat Harolds and swarmed elsewhere. Thursday night they were (gasp) at Ducks. On the dance floor... A half-dozen of them, all "dancing" at one time, all at six different angles, all crashing into shaggers --- who, of course, said "Excuse me."

It was then that I became burdened with the great SOS Moral Dilemma. My friend Terry (from Winston Salem) growled that "**This is your fault. If you women wouldn't dance with them, it would put an end to this (expletive).**" Terry instructed that when any DG approaches, I am to fix him with a cold glare and ask "Do you shag?" When he lies and says "yes," I am supposed to demand, "Tell me the count."

My friend Woody (hometown, I forgot) was appalled. Such behavior would violate all shagger etiquette, said Woody... which is what I always thought. Shaggers, male and female, dance with anyone who asks, at least once... We **ESPECIALLY** dance with newcomers and even non-shaggers, because **(1) we were one once, and (2) they might fall in love with our dance.**

So, I will do an informal poll: "Yes" or "No" --- Does the shagger code of conduct extend to DGs?...Before answering, single ladies, you may want to consider that golfers have some value off the dance floor...Sobered up, they can be nice accessories in a hot tub, or across the table at an expensive restaurant.

Junior Shaggers by Heather Jennings

How do I support junior shaggers you may ask?

Simple! **Join the Junior Shag Association (JSA).**

This organization is not only for junior dancers (those under the age of 21) but also for anyone who wants to support junior shaggers. **Junior dancers** may join for **\$5/yr.** **Adult membership is \$10/yr** and **Corporate membership is \$25/yr.** All members receive a JSA newsletter (which is quite good, I might add) and the highly beneficial feeling of supporting the shag for the next generation.

Join JSA today!

(JSA also happily accepts donations which it uses to sponsor dances and contests for junior shaggers!!)

See Heather for a membership application.

MESSAGE FROM THE VIDEO LADY by Nancy Gehley

Shag videos by prominent instructors are available for club members to rent for a week. Many people have found our selection often quite limited because some members have kept videos much longer than a week. We are requesting that members TRY to adhere to the guidelines of a week to permit all members an equal opportunity at a good selection of videos. The Board has voted to increase the deposit from \$10 to \$25 (no checks please). Although this might seem like a hefty increase, we ask that you remember that this is only a deposit and you will get your money back when the tape is returned. If, however, the tape is not returned in a timely manner (kept for months on end), we will use the deposit to replace the tape for the benefit of others. We hope this will not discourage use of the lending library and it is not meant as any type of hardship or punishment. We currently have two lost tapes and, as you know, \$10 does not pay for replacement. We hope the membership will understand this increase and will continue to enjoy use of these great instructional videos.
