Keep on Shagging'

Vol. VII, No 12

President's LETTER

Merry Christmas... and let's be done with the "grinch" news:

It will cost you \$10 more to belong to our club and to attend the Capital Shag Classic next year....That's \$5 more for 2001 club dues (effective for those renewing in January) and \$5 more for the weekend-long Classic ticket.

In return for the dues increase ...we'll be moving our Saturday night dances away from the Springfield VFW and to nicer facilities with wood dance floors... We're going more often to Ft. Myer, and we're adding Virginia Ballroom and Roy Camp's lovely Kenwood Country Club... Then at year's end, we'll return to Springfield VFW for the 2001 Christmas Party. The VFW is big, and Betty Abshire-and-crew can use the space for our holiday food spread...

Inside the newsletter, you'll find next year's schedule (**Mark it on that new 2001 calendar you just bought!**), and you'll find the Board Highlights column with more details about club finances... We discussed probable increases in dues and the Classic ticket at three general membership meetings this year.. At our October meeting, **Earl Robinson** asked fellow members to believe that a dues increase "**will come back to you.**"...I very much hope that you feel that way, too, and that you will support the club next year in the same generous way you have in 2000.

And now, it is time to say goodbye as your President. The First Spouse says it's a challenge to hold office in a club like ours. This is the nation's capital...probably has more ex-student body presidents than any place in the country.... Leading leaders is chaotic and chastening. Toss out an idea in this club and you'd better get out of the way --- 'cause 10 people are gonna grab it, run with it, and invariably improve it... I am grateful that so many people improved on my ideas and the Board's, and that so many contributed ideas of their own... I particularly enjoyed our several general membership meetings, for the kind way that you offered both criticisms and suggestions...Another gratifying part of 2000: I believe we had a surge in volunteers for old and new projects. It was a particular thrill to see a mob of folks running for the 2001 Board. And also painful. The first time I saw our candidate crowd ---- twice as many candidates as open slots --- my heart hurt for whoever would lose... The group who LOST in the NVSC election could, by themselves, run any club in the ACSC.

As President, I saw a lot of letters and fielded a lot of comments. Repeatedly, I have wished that the full membership could hear what other clubs, our guests, our visiting DJs, our visiting instructors, the Hospice organization, and our vendors say about you --- **That you are fun and friendly. That you are good hosts. That your events are professional and polished. That you've created a shag-support and shag-instruction program that's not duplicated anywhere in the association. That they can tell that you --- we --- are friends and family to each other...***Thank you very much for allowing me to preside over such a special club. Please continue to safeguard it and to build it.... Joan.*

November Board Highlights

FINANCES... DUES INCREASE... THE CLASSIC

The November Board meeting was centered on **club finances**, based on three areas of research: (1) Treasurer Dennis Gehley's analysis of income received and monies spent in 2000; (2) a review of club finances for the past three years, based on research by Dennis and President Joan McKinney; and (3) some advance-booking of facilities for 2001, based on the financial data from Dennis and Joan, the Board's two-month search for dance facilities, and planning discussions held among Joan, Dennis, Betty Abshire, Heather Jennings and Pamela Alfano.

The NVSC collected \$4,665 this year in membership dues, yet spent \$14,600 on club operations and events. (This does NOT include the Classic weekend, which is financed by tickets and by special fund-raisers.) Spending \$10,000 more than we received in dues was possible because:

The Wednesday night 50/50 raffles are a source of additional income. The Guest Instructor workshops earn a profit. Our Saturday dances almost always make a profit or at least break even, primarily because we have rented very basic facilities and provided our own food. Volunteers raise a small amount of money by winning contests that pay cash prizes -- such as, the SOS parade or the SOS company store. "Belt tightening" in some areas for two or three years helped us rebuild the Treasury.

Major expenditures include the annual free Christmas Party (about \$1100); printing and mailing the newsletter (\$1200); about \$800 for the Wednesday night, regular dance instruction program (name tags, instructors' manual, the videotape lending library); supplies for other club activities, such as the SOS parade; the birthday cakes; advertising and some printing bills; about \$500 for the institution of several "complimentary beverage" events at SOS and at a Sunday Social; and DJ expenses for Sunday Socials.

The Board concluded that it's prudent to sustain a modest "rainy day" fund, and that the club should aim for a year-end surplus of some \$2000 or \$3000. (Note: this is NOT the "rainy day" fund for the Classic, which is a separate and additional fund.)

Just three of those items --- the Christmas Party, the newsletter, and a modest \$2000 "rainy day" fund for cash-flow purposes or for emergencies -- take up **ALMOST ALL** of the of the income from dues.

At the same time, many members have asked the Board to move away from the Springfield VFW and hold Saturday dances at nicer facilities. After surveying the costs of facilities in Virginia, Maryland and DC, the Board found that such a move will mean that relocated dances can not be financed solely by low-cost admission tickets (as the Board prefers) and must be subsidized...probably in the range of \$1200 to \$1300, total, to upgrade just three dances.

Several club members also have asked the Board to consider new activities or add events that would build membership; or would "give back" free or reduced-price events to the membership; and/or would do more to "spread the word" in our area about shag and beach music. These include (but are not limited to) requests to build a strong juniors' program, for an advertising and promotions' budget for club events and projects, and/or to host a few events aimed at reaching new members or showcasing shag and beach music to new audiences.

The incoming 2001 Board may or may not be able to grant all these requests. However, the current Board concluded that, **without a dues increase**, the next Board will have little room to book better facilities and/or to try a few new initiatives, while also sustaining a modest surplus. **The Board voted unanimously to increase dues from \$15 to \$20, effective in January 2001.**

The Board voted to increase the **Capital Classic** weekend ticket from \$55 to \$60, for those who purchase early. A month before the event, the price will increase to \$65. The week of the event, the price will increase to \$70. The Board will set a deadline for cancellations and refunds, and it will be strictly enforced. The hotel, which buys and schedules its staff ahead of time, requires an advance head-count for food. The club must pay for this food even if people cancel. Based on attendance counts, the club itself also makes advance purchases of supplies and of food and drinks for the hospitality suite.

3rd Annual NVSC Shag-A-Thon!

On **February 10th**, at Landmark Shopping Center, the Northern Virginia Shag Club will sponsor the third annual **Shag-A-Thon!** The primary purpose of this event is to raise money for the club's charity, the **Hospice of Northern Virginia**. In addition we will be able to promote the dance we love and hopefully attract new dancers to our group.

To participate in the event you first need to **sign-up**. Sign up packets will be available at the **Christmas Party**, December 9th. Next you need to take your pledge sheet to as many friends, family and co-workers as possible and ask them to "**sponsor**" you for this event. By sponsoring you, they agree to pay a certain amount for each dance you have during the event or they may choose to make a flat donation. (This is not an endurance event- you may dance as may or as few dances as you like.) Each sponsor needs to fill out the pledge sheet with their name, address and pledge amounts. Please try and get as many pledges as possible!

On the day of the event, **February 10th**, bring pledge sheet and dancing shoes and dance, dance, dance. This event raised over **\$16,000.00** for **Hospice of Northern Virginia** last year and we hope to raise even more this year. If you can't dance that day, sponsor one of the other dancers or just come by and cheer us on.

This year's event is being headed up by **Jeff Kinchloe**, he can be reached at **202-543-9436** or email him at Kinchel@yahoo.com.
