President's Message by Heather Jennings

Wow! My last President's Message... I can't believe my year as NVSC president is over. It's gone by so quickly! Before I leave though, I'd like to thank the 2001 NVSC Board for a wonderful year. Through their efforts, we planned and completed several fun dance and social activities this year and I am grateful for all of their work and support. I'd also like to thank the NVSC membership for the privilege to serve as your president. It has been a wonderful year!

Now on to the future... **Congratulations to our new Officers and Board Members!** I wish them the best in the upcoming year. I know, having worked with many of them, that our club is in good hands. I'm sure they will do a fantastic job running NVSC. Please support them! Join a committee, send them your ideas, and participate in as many club activities as you can. NVSC can only be successful through the support of the membership. This is your club!!! Have fun with it!

Speaking of fun... look no further than our next club event, our annual **"Potluck Holiday Party"** which is scheduled for **December 15**. The party will be held, as in year's past, at the Springfield VFW.

We are also planning for our annual **"Charlie & Jackie"** workshop and dance in January. Who are Charlie & Jackie??? For those who don't know, they are multi-time National Shag Dance champions, U.S. Open Champions, Living Legends, and Shag Hall of Fame Members. They are also wonderful people and fabulous instructors. I strongly encourage everyone to attend!!! It's always a treat and a privilege to have these folks and I guarantee you'll enjoy it. Both the workshop and dance will be held **January 5, 2002** at the **Ft. Myer Community Center**. If you are planning to attend, **PLEASE pre-register** by giving your name to Valerie Swiger. Due to new security procedures at Ft. Myer, your name **MUST** appear on a list in order to get on the base. Please make sure you also have a **picture ID** with you the day of the event.

Finally, as many of you know, the Board (with the help of several members) is still in the process of considering different facilities as possible Wednesday night dance locations. Approximately 70 folks showed up to dance at the Galaxy the night before Thanksgiving. Mostly (from what I've heard so far) the feedback was positive about the location and the dance floor although many members expressed concern regarding the financial risk to the club with regular use of the Galaxy. (There is a weekly fee of \$325 for use of the floor.)

PLEASE NOTE that on **December 5** we will be considering another possible dance location - **Rene's Supper Club**. In other words, we will **NOT** meet at Nick's that Wednesday night, but at Rene's. **PLEASE COME BY RENE'S** to dance there and help us evaluate this club. We need your feedback! Also - if you know of another bar, club, or location that you would like us to explore - **PLEASE** let any Board member know so that we can try to schedule a dance there in the near future. Keep in mind that we would like (ideally) for the club to be centrally located, possess an adequate amount of parking - and most important - have a dance floor with enough size to accommodate our usual crowd (for lessons and dancing.)

Okay... one last comment... I've said it before, but I want to say again... this is a **GREAT** shag club and I am proud to be a part of it!!! Let's head into this new year with a lot of positive energy and **HAVE SOME FUN!!!!** Remember - shaggers do it with their feet!!!! See you on the floor!
