Keep on Shagging'

Vol. IX, No 9

## **President's Message** by *Pamela Alfano*

The unofficial count at the **Sunday Social** was 74 people. We saw many familiar faces which we had not seen for some time, as well as some new ones. I would call that a huge success. Everyone enjoyed learning the Night Club 2 Step, taught by Delaware Valley Shag Club (and NVSC) members **Rob Baen and Sheila Purkey**. If you were not able to attend the Sunday Social, I am sure that anyone who was there would be more than happy to give you some instruction. Rob then played wonderful beach and shag music for the remainder of the afternoon. Thank you, Rob and Sheila.

Our next event will be the **pre-SOS party on September 7** at the Coast Guard Anchorage Club. **It is a FREE party**. So come out and join us before heading off to Myrtle Beach for the annual SOS Fall Migration. For further details, see the flyer inside this issue.

During the month of August, we have been dancing at Cecilia's in Arlington. The turnout has been good so far and the Board has heard predominantly favorable comments. We will probably continue at Cecilia's until a decision is made on a permanent location, whether it is Cecilia's or elsewhere.

It will soon be time for the election of the **NVSC 2003 Board**, and the Nominating Committee will be seeking candidates. If you are considering running, you should be aware of what it means to be on the Board. If someone were to ask me what it entails, my response would be that "it is very time-consuming and a vast amount of work". There is a monthly board meeting which is hosted by one of the Board members and normally runs three hours. If you have never been on the Board, you may not know this. Each board member heads or acts as liaison to a committee. Most people attend our events, have a great time and go home. This is great. But before those events took place, much planning and effort went into them. Oftentimes, there is additional work following the events. Much of the work is done by Board members. There are hours and hours of behind-the-scenes effort for everything the Club hosts or is involved in. On the other hand, there are also rewards. There is the reward in seeing our fellow shaggers enjoying themselves at an event. There is the sense of satisfaction which comes when we receive compliments following a successful event. There is also the team spirit which comes with being involved with a great group of people working toward a common goal. That being said, if you are interested, willing or able to put in the time and effort that is required, then I would encourage you to consider running for the Board.

**This is your Club -- Get involved and keep on shagging.**

# SOS -----SEPTEMBER 13 THROUGH SEPTEMBER 22

## SOS? What's That???

Well... the Wednesday crowds may be a bit light the third week of September. That date is **September 18**. Those who've been around the club for a year or more will know where everyone has gone... yes, folks it's time again for SOS! Some of our new members may be wondering... what in the world is SOS and why is everyone going??

Well... to put it simply... **SOS is BEACH WEEK for adults**. But really... SOS is so much more... it is going **HOME**. Home to "the beach", the home of the shag... and of course, when I say "the beach" **I mean North Myrtle**. Is there another?

SOS is about friends and dancing, and partying and dancing, and hanging out on the beach and dancing, and eating (when you get a chance) and dancing. Are you getting the picture?? **SOS is a FABULOUSLY FUN SHAG event!!!** It's a **TEN-day affair** that happens twice a year... once in the spring known as "**Spring Safari**" and once in the fall known as "**Fall Migration**". Thousands (**yes thousands!!**) of shaggers make the semi-annual pilgrimage to the beach to party, relax and of course shag! There is continuous dancing, multiple shag workshops, free food, a tram service and much more! It really is an awesome event. You will get to hear lots of new music, meet new friends and visit with old ones! There are approximately **10 bars in Ocean Drive/Main Street** area that cater to shaggers during this event and it is **GREAT!**

If you have never been, **GO!!!!** You won't regret it!

## NVSC All-Stars at Junior SOS ... by Janis Grimes

North Myrtle Beach, SC..... Junior shaggers enjoyed another fun reunion at the beach July 18th, 19th and 20th -- three days of meeting new friends, brushing up on their shag, learning new steps, and generally having a great time together at the beach. Top shag instructors and competitors teach free workshops, for juniors only. One of our own junior couples, **Kari Jones** and **Adam Sheppard**, taught a workshop, and on Saturday afternoon there was a Mixed Doubles shag contest held at the Arcade. A Mixed Doubles contest is like a Jack & Jill.... they draw names out of a hat to get a partner, and they cannot draw their regular dance partner. All of the kids attending had the opportunity to sign up for the contest, draw a name, and dance, from brand new beginners to veteran competitors. It is always so much fun watching these youngsters learn and grow, from one year to the next. Check out the photographs that are posted on the SOS website at <http://www.shagdance.com/headlines.htm>.

There were twenty-five couples dancing in three divisions; twelve in Amateur (first-timers), four in Novice (been-there-before's) and nine Pro couples (more experienced junior competitors). Mike Rink kept things moving in the DJ booth, and Sam West was the Score Keeper, assisted by young Sydney West. He and his group of judges, Nikki Johnson, Jeff Hargett, Mandy Holt, Wade Adler, and Jennifer Beaver did a great job. Everyone that danced was given enthusiastic, whole-hearted support by the large gathering of proud parents and friends. All are winners, having been brave enough to put their names in the hat and step out onto the floor.

This year, we witnessed some of our own junior members delight the crowd with 1st and 2nd place wins in two divisions:

### Junior Novice Division

Tory Robinette & Dustin King - 1st Place  
Justin Poston & Lauren Brooks - 2nd Place

### Junior Pro Division

Adam Sheppard & Staci Masa - 1st Place  
Kari Jones & Ricky Ward - 2nd Place  
Congratulations and cheers for the junior all-stars!!

NVSC members and competitive dancers **Janis Grimes & Steve Booth** placed 2<sup>nd</sup> in the Amateur division in their second outing in the CSA arena on Saturday August 25 at the Annual Labor Day CSA/SPA Shag contest at Fat Harold's Beach Club at Ocean Drive, SC. This follows a first place Amateur division finish at Memories Beach Club in Atlantic Beach in April!!

Way to go, y'all!!!!

At that same contest **Amanda Tedesco and Kirk Bass** placed first in the Junior II Division.
