Keep on Shagging'

Vol. X, No 3

President's Message *by Pamela Alfano*

March is here and hopefully spring is around the corner. I am certainly ready for it after this last snow storm. I am still waiting for my car to thaw out. Even if the weather does not cooperate, we have some special things to look forward to in March. On Sunday, March 16, we will be having a *St. Patrick's Day Sunday Social* at Nostalgia's from 2-5:30 PM. Our friends *Rob Baen and Sheila Purkey* from the Delaware Valley Shag Club and the Northern Virginia Shag Club will join us to teach a **Nightclub Two Step** lesson. Rob will also be our DJ for the Sunday Social. You may recall the NC2 lesson they taught at a Sunday Social last summer at the Coast Guard Station. Everyone had a great time. If you missed the NC2 lesson last year, this will be an opportunity for you to learn this easy romantic dance, done to slower music, or to brush-up on what you learned last year. So, come out and join us, and wear your green.

The finals of the *National Shag Dance Championships* in Myrtle Beach are coming up in March, and we are excited and proud to have a number of NVSC members and Juniors competing: *Craig & Heather Jennings, Kari Jones, Justin Poston, Tori Robinette and Amanda Tedesco*. We wish them all well. We are particularly excited about Craig and Heather, who will be the only adult couple from our Club to be dancing in the National Shag Dance finals. I am looking forward to being there to cheer everyone on. Good luck to all of our NVSC competitors!

I am writing this at the Association of Carolina Shag Clubs Winter Workshop in Greenville, NC, and have just received the exciting news that NVSC's former two-term President *Vesta Jones* is the first member of the NVSC to receive the prestigious *SHAG ICON AWARD* from the ACSC. This special award is presented to a few, select individuals who have made significant contributions to their home shag clubs. Over the years, Vesta Jones has done just this. Since serving as president, Vesta carries fewer titles, but continues to make significant contributions to our Club behind the scenes. For instance, Vesta hosts our website on her server free of charge and continues to be one of the most active members of our dance instruction program.

CONGRATULATIONS VESTA!

Beginning in March, we will have a *NEW MEMBER NIGHT* at Nostalgia's on the *first Wednesday of each month*. Here is how it works: Bring a non-member friend on the first Wednesday of the month. If they join and pay their dues that night, we will not only **refund their cover charge fee for the evening, but yours as well**. So, bring your friends and introduce them to the shag. Show them what a friendly and fun bunch of people Shaggers are.

Hope to see you all soon and **KEEP ON SHAGGIN'**.

Let us begin by saying that living at the beach and not having to endure a major snow storm is one of our major joys in life. We thought we might miss the snow - **NOT**. While most of you were shoveling and scraping ice from your car windows, we were enjoying **Fat Harold's Camp Kemo Day**. Camp Kemo is a charity that Harold has contributed to for many years raising over **\$670,000** for children with cancer. The day began with an auction. The auctioneer was Harold's own deejay, Gary Bass (I didn't know anyone in the south could talk that fast). Fat Harold's provided a barbeque while Calabash Flash, Gary Bass, Sea Cruz, Coastline Band, and Mardi Gra Band provided entertainment. The whole day began at 1:00 p.m. and lasted until the wee hours of the morning.

On Saturday, February 22 we enjoyed the ceremony honoring **Fat Harold** for having the **Beach Club of the Year for 2002** and for his induction into the **Boppers Hall of Fame**. Jerry Holt was the master of ceremonies and the mayor of North Myrtle Beach presented Harold with a certificate for his long standing contributions to the community. Friends and owners from many of the shag clubs were present to honor Harold for all his accomplishments over the past 40 years. Harold provided a free pour and free food for all that attended and there were many - standing room only. There was a wonderful demonstration by some of the junior shaggers including Northern Virginia's own **Kari Jones** and her partner **Adam Sheppard**. It was a terrific evening honoring a terrific man.

If you're going to be in our area **March 15th**, the annual St. Patrick's Day parade will flow down Main Street. It's a wonderful parade and of course the OD Shag Club is represented each year. The South Strand Shag Club is having a party that evening to include a buffet dinner - so we run from one end of the beach to the other to enjoy it all! (Remember we told you how challenging our life has become.)

As a reminder, please call us if you come to the beach - we'd love to get together with you. Our number is 843-357-9918. And now, we must go. We need to get down to the beach for a walk and bond with our local dolphins. We think of everyone often, especially when we're walking on the beach and you're not. Have a dance and a drink for us and we'll be in touch next month.

I-66 Blues by Gary Salpini and Valerie Swiger

Trying to get to Nostalgia's? Trouble with traffic on 66? There are some alternatives.

From the **southern areas** of the county you can try the Fairfax County Parkway which intersects Rt. 50 about 1 1/2 miles west of the mall. From the Beltway you can try Braddock Road west. Take Braddock west for about 7 1/2 miles and turn right onto Shirley Gate Road. Proceed for about 1 3/4 miles and make a left onto Rt. 50. You will be about 1 mile east of the mall. Traffic on Braddock is generally a little congested for the first 2 miles but it moves OK. The only exception is when they are having an early event at the Patriot Center at GMU. Rt. 236 & Rt. 50 off of the Beltway are usually not as good of an option.

From the **northern areas**, you can get off 495 at Route 123 and go south until you hit route 50. (A lot of stop lights in Vienna and Oakton, but sometimes they beat no movement at all.) When you get to route 50, turn right, Holiday Inn about a mile. Or you can take 495 to 66 and if the traffic on 66 is horrible get off at Nutley (first exit) go to the fourth stop light (Route 123) turn left and continue to route 50, then turn right on route 50. If you make it past the Nutley exit and then the traffic stops, get off on 123 and go south to route 50.

50-50 Why do we do it? By Doodah

Roses are red
Violets are blue
It's 50-50 time
And we're counting on you

Why do we do it?
I hear you say
So for **The Classic**
Our expenses we can pay.

We'll have first class Instructors
Who will teach you to dance,
But how can we pay them
If you don't take a chance?

We'll have red hot DJs
Spinning tunes that are nifty,
But we can't afford them
Without the 50-50.

We'll have goodies and drinks
It's quite a big bash
But we cannot do it
Without any cash.

The room we will use
Does not come free
So it's up to all of us
You and Me.

Our Officers and Directors
And Volunteers too
Donate their free time
To make this happen for you.

It's The Party Of The Year
Everyone will be there
So buy a ticket
And show us you care.

If everyone contributes
And does their part
The Classic will be an event
That steals your heart.

So give to you club
Just go find **Doodah**
And everyone will be
In a good mood-ah.

IN CASE OF INCLEMENT WEATHER:

If the weather is lousy and you think an Northern Virginia Shag Club event might be canceled, check the hot-line (703-960-4254) and find out the latest. If a decision is made to cancel or postpone an event, for any reason, the hot-line will be the first place that information is made generally available.

The hot -line is actually a Verizon voice, mail box, which means it can handle up to five calls at one. Feel free to call it often. As a rule-of-thumb for the Wednesday night dances, if the DJ thinks he make it, there will be no cancellation. Under normal conditions, the hot-line will contain, a hopefully, up-to-date information about future events - like who will be the DJ for the next Wednesday dance and what will be taught in the lessons.

SOM BUDDIES
(Shaggers of the Month)
by Doodah

Due to the fact that there are so many extraordinary members of the NVSC, we have decided to highlight one male and one female club member each month. This month just happens to honor two very unique and dedicated individuals who also happen to be a "couple"

Craig and Heather Jennings

Style, Grace, Flair describes these two marvelous Shaggers of the Month when you see them on the dance floor every Wednesday night. But what else do you know about them? Individually their contributions to the club are staggering. As a Dance Team they have qualified for the Non-Pro level, which is a feat quite out of the ordinary.

Craig Jennings

NVSC Affiliation:

Past Secretary
Capital Classic DJ
Shag Classic Chairman

Music Committee Chairman
Dance Committee Member
Creator of 50/50

Now as if he weren't busy and dedicated enough Craig has also been intensely involved with CSA as a Director at Large as well as the current President. He is a DJ extraordinaire honoring not only our club but multiple other Clubs from here to Myrtle Beach and has served as Treasurer and President of ABSCDJ.

Heather Jennings

NVSC Affiliations

Past President
Chairman Dance Committee
Chairman of Fundraising Committee
Capital Shag Classic Chairman
Chairman Promotions Committee

Past Vice President
Chairman Dance Program
Creator and Chairman of First Shag A Thon for Hospice
Revised Dance Instructional manual

In addition Heather has been highly active in CSA and has served as a Past Secretary.

With all of this incredible dedication to the Shag Dance form; Craig and Heather are also amazing individuals in their "other" lives. Craig received his B.S. in Science and Heather received her B.S. in Computer Science. They both work within the Computer field. They travel well over an hour each Wednesday night to our Club, for they live in King George, VA. Craig's other interests include water-skiing and Heather likes to read and cook. I wonder where they find the time.

The most amazing fact, however, is that neither one of them had ever danced before they were introduced to the Shag in 1995. Wow! They have come a long way and a great deal of this is due to their total enthusiasm, dedication, and love for the dance.

We salute you both and are honored that you have blessed our club with your total commitment to our Club and to the Shag.
