Keep on Shagging'

Vol. X, No 4

President's Message by *Pamela Alfano*

HOORAY FOR SPRING! The milder March weather allowed NVSC members to get back to the business of having fun. The St. Patrick's Sunday Social at Nostalgia's was a huge success. We had many members participate in the Night Club Two-Step lesson taught by NVSC and Delaware Valley Shag Club members **ROB BAEN** and **SHEILA PURKEY**. This was a great opportunity for those of us who were with Rob and Sheila at the Coast Guard Station last August for the previous lesson, to practice and brush up on our steps. Those who had tried Night-Club Two Step before were able to help those who were doing it for the first time. The floor remained packed all afternoon while DJ Rob played our favorite shag tunes. Thank you Rob and Sheila! Congratulations to Kitty Senge and Joe Cornish, the winners of the "bead" dance.

Our next special event will be the April 5th annual spring workshop at Ft. Myer. As guest instructor, we are fortunate to have the "queen of the spins and turns" -- **DAHLIA HIRSH**. Most of us have seen Dahlia at other dance events and admired her ability to spin like a top. She will be teaching a Spins & Turns workshop. If you want to learn the secret of her technique, **BE THERE!** Immediately following the workshop, there will be a dance with music provided by Colonial Shag Club DJ's Larry Black and Cindy Goree. I hope to see you there. See the flyer inside for additional details.

At the end of the month, many NVSC members will head south to Myrtle Beach for Spring SOS, where NVSC will again sponsor two free pours. The first will be at Ducks Too on Saturday, April 26, from 4-6:00 PM. DJ Larry Jones will be playing tunes for us. The second will be at the Boulevard Grill on Saturday, May 3, from 4-6:00 PM.

As most of you already know, our biggest event of the year is the Capital Shag Classic in July. This year, Jane James has agreed to chair the event. Making our Club's weekend party one of the best there is involves countless hours of planning and work before and during the event. The only way we can accomplish this is with your help. We need volunteers to help with every aspect of the event. Please volunteer. This is your Club. We need you -- get involved! Contact Jane James (703-323-8799) and she will put you to work.

In the meantime, let's have some fun and **KEEP ON SHAGGIN'!**

Well, yesterday it was 78 degrees - convertible top down and cruising. Okay, enough bragging.....

The past month was full of shag events: DJ Throwdown, Low Country Boil, National Shag Dance Finals, St. Patrick's Day Parade and parties.

We attended the OD Shag Club's Low Country Boil on Fat Harold's back deck - great food - and then headed for the finals of the National Shag Dance Competition held again this year at the Attic in Myrtle Beach. It was our first time and, **WOW**, it was truly amazing to watch the outstanding dancers. It was great fun for us to watch all the competitors from Virginia -we kept telling everyone "we know them"! The highlight of the evening, in our humble opinion, was watching **Jackie McGee and Charlie Womble** as they competed and won the Senior Division. Their style, grace, and showmanship are beautiful to watch. We can understand how they have won so many competitions.

Coming up in April we will be attending: Beach Sweep - meeting at O.D. Pavilion, Hawaiian Luau at Pirates Cove, Brunch at Boulevard Grill - featuring Bloodies and Morning Sunshine, and then S.O.S. This really is great fun!

Dave and I want to share with you an article that appeared in the O.D. Shag Club's newsletter: **TRUE SOUTHERNERS**

Only a true southerner knows.....

-the difference between a hissie fit and a conniption, and that you don't have them, you "pitch" them.
-how many fish, collard greens, turnip greens, peas, beans, etc., make up "a mess".
-exactly how long "directly" is - as in "going to town, be back directly".
-exactly when "by and by" is. They might not use the term, but they know the concept well.
-instinctively that the gesture of solace for a neighbor who's got trouble is a plate of hot fried chicken and a .g bowl of cold potato salad (if the neighbor's trouble is a real crisis, they also know to add a large banana puddin!).
-that "fixin" can be used as a noun, a verb or an adverb.
-that the term "booger" can be a resident of the nose, a description - as in "that ol' booger", a first name or endearing term, or something that jumps out at you in the dark and scares you senseless.
-you don't scream obscenities at little old ladies who drive 30 mph on the freeway. You just say, "bless her heart" and pass her at 80 mph and go your own way.

Well, Dave calls our grand daughter "Booger" so I think we're well on our way and we're "lovin" it. Stay well and we'll see you next month.
