Shag Rag

from your Editor *KEPINI*

President's Message *by Cathy Metcalf*

What a party! The 9th NVSC Capital Shag Classic has just concluded. It is a bit sad to know that another year will pass before we all get together for a party like this. To the many whom have worked so hard on this event, a year from now might be too soon. It was great to see many of our own members who have not been among us for a while and to see the return of out of town guests, as well as some first timers to the Classic. Many compliments were received and it does mean a lot when you take the time to express your thanks.

The thanks to those involved in putting on an event like this, are truly endless. **Bev Farris and Dave Rapson** rose to the task ahead of them in Co-chairing the Classic—You put on a great party! Much gratitude to those who coordinated free pours in the Hospitality suite, the pool party, special entertainment, private lessons, vendors, music, registration, decorations, logo products, hospitality and check-in, door prizes, 50/50 and other raffles, the dance floor installation and removal (special applause for these guys and gals), printing of raffle tickets, creation of the flyer, promotion of the event, DJs, and on and on. Special thanks to Kari Jones for standing in for LeAnn Best (Kari, that's something to add to your resume!) when she was unable to attend due to work obligations of a new job. It would be impossible for any of us to name the names of all that contributed to the success of this event – Please accept the sincere thanks of the 2004 Board for putting on a spectacular party!

August is an exciting month as we anticipate the renewal and growth of a junior shag program at NVSC. **Junior classes** will be taught at 6:30 PM each Wednesday in August at Nostalgia's. Bring someone under 21 and you both are admitted **FREE** – Contact your neighbors, relatives, friends, and co-workers. Kari Jones, a junior champion, will be our lead instructor for the junior lessons throughout the year. Thank you, Kari. This is a great opportunity for free summer entertainment. Several workshops are scheduled for the juniors throughout 2004 on weekends after school starts. I would have loved to have had an opportunity like this when I was a child – Please consider it for someone that you know.

SOS is just around the corner. It's time to finalize your plans. Check our flyer table for a list of options for your accommodations at North Myrtle Beach. The dates are September 17 – 26. Our Club will be hosting two **SOS Free Pour Parties**:

Saturday, September 18th at Duck's Too, 4 – 6 PM

Saturday, September 25th at Fat Harold's, 4:30 – 6:30 PM

Thanks to Marcia Conway for representing our Club at the July **ACSC** meeting in Savannah, GA. Perhaps I forgot to publicly thank Dave Rapson for attending the meeting earlier this year in Danville, VA. I am very grateful to both of you for supporting our Club in this way.

S. My dance shoe has been found—It was not Prince Charming or a glass slipper but I was indeed grateful to Ann Thompson for its return to me.

WHAT IS A STEP EXCHANGE??

In the dance steps to be taught during the month of August, you may have noticed a new term – "Step Exchange". What is a "step exchange"? A step exchange is a class where all the participants are invited to share with others a dance step which they like to use when they are dancing. We'll have two of our NVSC dance instructors to lead the class and keep things moving along, but they are not going to "teach" the class. Come try out this new type class and bring along some of your favorite dance steps and share them with others. You will have an opportunity to demo the step and then others in the class will try to learn it so they can use it. If you like this new format for a dance class, let your instructors know and we'll keep putting it on the lesson schedule. – David Rodgers, Dance Committee
