Northern Virginia Shag Club

President's Message by Janis Grimes

In the President's Letter:

- * Shag-a lifestyle
- * Reflections on Eleven Years

Just back from Midwinter in North Myrtle Beach, and I am filled with the excitement, fun and sense of joyful camaraderie that was shared by friends, old and new...plus, shagging to the best music in the world. While there, I attended the first ACSC meeting of 2005. There will be some changes in North Myrtle Beach, but they promise us that SOS will continue there until the water washes us away...

I consider it a privilege to serve as President of the Northern Virginia Shag Club, and I have made a commitment to give my time and energy to the club, for YOU. As President, I expect to give a lot – and, I know I will gain a lot – in good times and good friends. That's what a shag club is about...a lifestyle of friendships and fun... and SHAG dancing! It's like a big playground, a safe haven for fun and friendships... a place where you can hang out with your friends, and always make new ones.

Serving the club is something I am glad to do, to help repay the support I've received over the past 11 years, from associations within the club and in the shag community of wonderful friends I've met through shag. The benefits of association are friendships that will last a lifetime, the wonderful times and memories shared through the club and other shag activities, and the hope that is always there – of more fun to come. There is always something to look forward to!

I am grateful to the founding members for starting this club, and especially to Rick Hendrix and Liz Kestler – they were a big part of the inspiration and momentum that led to the creation of our shag club. Had Dee [Bassett] Orlando not seen them, by chance, out dancing one night, and wanted to "dance like that"...if it weren't for the enthusiasm of Rick, and the gentle support of Liz, and the perseverance of Dee as NVSC's first president, and the others, Larry Camp, Patricia Parrott, Dave and Ruth Rapson, Gary and Sharon Salpini, Pauline Easby-Smith (whom we recently lost to cancer), Donna Harrington, Keith Abernathy, Nick and Debbie Nichols, (to name a few!) we would not have the club that we enjoy today. After 11 years, we are fortunate to have most of our original founding members still with us on Wednesday nights or at other club events. Some have gone on to other things, but will always know they are welcome here. See you on the dance floor....

DID YOU KNOW...

Another successful Mid Winter SOS. What a weekend! The streets and clubs of North Myrtle Beach were filled with happy people this past weekend. So, you've never been to Mid Winter? Well it's like Spring or Fall SOS, just smaller and shorter.

A bit of news from Mid Winter...Ducks/Ducks Too has been sold. The new owner, David Shaw, has already started some renovations and changes of the club. These include enlarging the upstairs (Ducks), adding additional bars and enlarging the dance floor. These changes should be concluded by DJ Throwdown or at least Spring SOS.

In talking with David, changing some of the format is also in order. Upstairs will be dedicated to more of the main stream beach/shag music. Music downstairs will remain as usual...older rhythm & blues.

Don't forget DJ Throwdown coming up March 3, 4, & 5. As usual, the party starts on Thursday evening with 3 groups...Craig Woolard Band, Fantastic Shakers, and Mark Hummel. On Saturday, there's a reverse raffle worth \$6,000.00. It's a great weekend filled with great music and good times.

ON THE MUSIC FRONT...

My pick for best new song at Mid Winter is clearly an easy choice. It's an old Motown song...Hello Stranger, sung by Queen Latifah.

She hits this one on the head! This version is great smoothie and a real pleasure to dance to. Hello Stranger is destined to be in the Top 10 very quickly.

The NVSC is losing a great friend and DJ. Gerry Scott has taken a teaching position in Charleston, S.C. Gerry and his family are looking for a home and expect to fully move soon.

Gerry says he's still looking forward to the Classic and playing as usual. He said he'll really miss playing for our club on Wednesdays. **Gerry, we wish you and the family all the best!**

ANOTHER VIRGINIA ARTIST

Born Jan.12, 1928 RUTH BROWN (Ruth Alston Weston), 'Miss Rhythm' R&B vocals. Portsmouth, VA (married trumpeter Jimmy Brown). Atlantic Records is often called "the house that Ruth built", due to her string of hits between 1949 -50. She is perhaps best known by younger audiences through her role as DJ "Motormouth Mabel" in the film Hairspray. When the hits dried up in the early 60s, the industry was quick to forget about her as she worked as a domestic to make ends meet.

Top ten songs!

*End of December 2004--Our sincere sympathies to Dennis and Nancy Gehley's on the
loss of Dennis' mother, Goldie Agnes Gehley. And condolences to David and Jerry
Rodgers, on the loss of Jerry's mother, Helen Kroon.*

**Our thoughts and prayers go to Craig Hutchinson, with on-going health issues. For those new to
shag, Craig is known for introducing Carolina Shag to our area, first by introducing Charlie
Womble and Jackie McGee ("C&J") to swing venues (workshops, competitions) which prompted
Carolina Shag to become known competitively coast-to-coast, and secondly, and most important, to
include "Shag" as a Division at the 1994 Virginia State Open Swing Dance Championships, which in
turn opened the door to become a permanent part of the local swing community! A BIG THANK
YOU CRAIG!**

*Please give your well wishes and prayers to long time member, Dean Hipps. He will be
having major spinal surgery on Feb. 16th. We pray his surgery is very successful and that
his recovery period is speedy. GET WELL SOON, DEAN!*
