Northern Virginia Shag Club's Monthly Newsletter

President's Message by Janis Grimes

March was a busy time for us, as we went about gathering donations for our club's charity, Capital Hospice, and geared up for our annual **SHAG-A-THON**, held at Springfield Mall. Special thanks to Marcia Conway and Liz Kestler, for organizing another very successful **SHAG-A-THON** and collecting (so far, still counting...) \$12,000+ in an afternoon frenzy of dancing delight! Thanks also to our deejays, **Dennis and Nancy Gehley, Eddy Farmer, Eddie O'Reilly, and Jim Rose** for giving so generously of their time and providing the music for us and the public -- 5 hours of beach music mania! Many thanks to all of our dancers, (too many to name) who shagged all afternoon, earning pledges for **Capital Hospice**. We have such a wonderful group of caring people here! Those attending also had a special treat, debut performances by the new **Virginia Shag Team**, appearing for the first time in public. They are looking good, and working hard. This group is comprised of shaggers from the Northern Virginia, Richmond, and Virginia Beach areas (and Vesta, from somewhere in the Florida Keys...). We look forward to their next exhibition, and wish them well. We also had the large treat of watching dance exhibitions by junior competitors **Adam Sheppard** (in from Troy, NC) and our own **Kari Jones**. These teenagers performed beautiful dance exhibitions, one fast, and one smoothie, (with very little time to practice before), showing the impeccable style and grace of **SHAG** Carolina style. March 26th dance at the **PSDC Dance Room** .. as I write this, it has not happened yet. From what I'm hearing, support for this weekend event is strong. That free pizza works every time!! And our junior champion, **Kari Jones**, teaches a **FREE** shag workshop for all, juniors and adults, at these events.. FYI, all proceeds from these dances will go to the Junior Fund. Please note: **JUNIORS** (under 21) must be closely supervised at **ALL TIMES** by an adult, when they are at shag club functions. This policy is necessary whether we are at Rene's or at another facility for a dance (PSDC, VFW, Ft. Myer, etc.). Remember, we are dancing in a bar, and it is open to the public... The future of shag is in the hands and feet of the juniors..., AND it is a wonderful family activity. If you choose to bring your children into our family, please supervise them closely; they are precious.

Dancing is joyful.... Share the joy!!

Coming up this month:

LETTERS TO THE EDITORS...

THANKS FOR PARTICIPATING IN THE SHAG A THON. WE ALL HATE TO ASK OTHERS FOR DONATIONS TO CHARITIES. BUT YOU DID IT! OF ALL THE CHARITIES OUT THERE, IT IS OUR OPINION THAT CAPITAL HOSPICE IS ONE OF THE ONES MOST NEEDED.

DEATH IS A FACT OF LIFE. NOT A PLEASANT FACT, BUT A FACT. THAT'S WHY WE SUPPORT CAPITAL HOSPICE.

IN TODAY'S WORLD FAMILIES ARE SCATTERED. MANY TIMES WHEN SOMEONE IS DYING THE NEXT OF KIN IS THOUSANDS OF MILES AWAY OR THE FAMILY IS SMALL, VERY SELDOM DO WE SEE LARGE FAMILIES, LIVING CLOSE TOGETHER, WHERE THE RESPONSIBILITIES FOR THE TERMINALLY ILL CAN BE SPREAD AROUND. THAT'S WHERE HOSPICE COMES IN. FRIENDS AND FAMILY CAN ONLY DO SO MUCH, THEY DON'T HAVE THE MEDICAL TRAINING, THEY ARE TOO CLOSE TO THE SITUATION AND THE MENTAL ANGUISH CAN TAKE ITS TOLL. OUR SOCIETY NEEDS THE HOSPICE'S AROUND THE COUNTRY.

THANK YOU FOR WHAT YOU DID MARCH 19TH, EVERY DONATION YOU MADE OR COLLECTED WILL HELP SOMEONE. WHETHER IT IS THE ONE THAT IS TERMINALLY ILL OR THE FAMILY OF THE TERMINALLY ILL.

BY: A FAMILY THAT HAS HAD TO USE HOSPICE TWICE.

FAREWELL AND GOOD LUCK TO A WONDERFUL MEMBER

ALMOST FROM THE DAY SHE JOINED OUR CLUB IN MAY OF 1995, BETTY ABSHIRE BECAME A "WORKER BEE".

IN 1997 SHE BECAME ONE OF OUR BOARD MEMBERS AND STAYED ON THE BOARD FOR THE NEXT SIX YEARS. WITH HER CATERING ABILITIES AND HER FLAIR FOR DECORATING SHE MADE OUR MANY PARTIES A WONDERFUL EVENT FOR BOTH SIGHT AND TASTE. ALTHOUGH SHE HAD MANY HELPERS OVER THE YEARS, IT WAS HER PLANNING, HARD WORK AND LEADERSHIP THAT MADE EVERYTHING COME TOGETHER.

SHE LEAVES US FOR RETIREMENT IN FLORIDA. IN MID APRIL SHE WILL MOVE TO THE TAMPA BAY AREA TO BE NEAR HER DAUGHTER AND FAMILY AND NEVER SHOVEL SNOW AGAIN.

WE WISH TO THANK HER FOR HER YEARS OF SERVICE TO OUR CLUB; WITHOUT MEMBERS LIKE BETTY WE WOULD NOT HAVE A CLUB THAT RUNS SO SMOOTHLY AND SUCCESSFULLY.

THE VERY BEST TO YOU IN YOUR RETIREMENT, THANKS AGAIN FOR ALL YOU DID FOR THE NORTHERN VIRGINIA SHAG CLUB.

WRITTEN BY,
ANOTHER LONG TIME MEMBER

HEY, MR. DJ...

Please, keep the questions and comments coming! I had a question and suggestion that I write about it in this article. So, here ya go. Question: **What's the difference between Beach Music and Shag Music?**

Answer
the trivia
question.

I was playing in Fredericksburg at our Battlefield Boogie Club one evening and was playing a Santana song; "The Game Of Love" and someone came up and said... "that's not Beach Music." My answer was...you're absolutely right, it's Shag Music and we're here shaggin'. As a matter of fact, a lot of today's Shag Music is not Beach Music at all!

Almost all Beach Music is Shag Music, but very little Shag Music is Beach Music.

Beach Music is considered to have a "classic" sound like the music you grew up with, a timeless sound. It stems from the music and groups of the Motown, Doo Wop, and Rhythm and Blues Genre. It's music like, Under The Boardwalk, I Love Beach Music, Miss Grace, 60 Minute Man, and others like these. They are all "Classic" songs. It's artists like the Tams, Drifters, Platters, Embers, Temptations, Four Tops, and so on.

These groups, just like the music they play, are also "Classic" and Timeless. The groups and their music have been around for many years and continue to be a major part of the Beach and Shag world. Shag Music, on the other hand, can be a song and artist from many different genres, having a danceable beat. Today we're dancing to a wide variety of music genres. Pop, Country, Oldies, Jazz, Blues, Adult Contemporary, and Top 40, just to name a few. Any music that has a shagable beat falls into the Shag Music category.

So, when you hear music or artists that you are not familiar with, don't discount their effectiveness as a dance tune. This is why the better DJ's try and put together a mix of different genres of music and artists. It broadens our musical appreciation and gives us a varied musical beat, instead of a steady one all the time.

Remember, music is in the ear of the individual listener. So open them ears up and take in the best music around...Beach & Shag Music!

And now for the pop quiz! - The country group, Alabama, did the song "Shagging On The Boulevard." What type of music is it; Country, Shag, or Beach?
