Northern Virginia Shag Club's Newsletter—November Edition President's Letter by Janis Grimes

Thanks. WOW, the year has really zoomed by, and I could write at length -- maybe even with a bit of eloquence-- about what it has meant to me to serve as president of NVSC. Suffice to say it has been an honor and a pleasure. In the remaining weeks of 2005, I want to thank ALL of you for your great work, your support, and your friendship.

Election: PLEASE NOTE, the upcoming ELECTION of the 2006 BOARD OF DIRECTORS will be held on November 30th, and results announced, at Rene's. Ballots are included in this newsletter, and can be mailed in, but **MUST BE RECEIVED** by November 30th. Or, you can cast your vote at Rene's on Wed., November 30th. The line-up for next year includes some new faces, and some returning veterans. Please show your support by voting your preference.

October 22nd: Special Thanks to Debra Parrish and Terrie Patullo, for another Special Evening to remember, at the Elan DanceSport on October 22nd, with Pro Shaggers William Greene and Leslie Melton .. the spread of food was divine, as always, the decorations were appropriately scary and fun ;:^) and everyone looked like they were having a good time. The exhibition of real Carolina-style Southern Shag by William and Leslie was mesmerizing, and we are excited that a brief clip of their dancing will be shown on Good Morning, Washington! in the near future. WJLA Channel 7 news sent a reporter to tape a segment featuring our shag club, thanks to Larry Reaves!!  www.wjla.com for the date and time it will be shown, later this month.

It's Over: Saturday Shag at PSDC. Sorry to say, our upcoming (and final) Saturday Shag Dance at the PSDC Dance Room scheduled for November 19th had to be CANCELLED, due to a schedule conflict (mine, not theirs). You may or may not have heard about this fabulous DANCE facility, which is scheduled to be torn down next year. I don't know what they plan to put there, but it is a great loss for the dance community. We are grateful to Craig Hutchinson for his generosity in making this facility available for dancers. 

The Heat Is On. We are currently looking for another facility for our 2006 Capital Shag Classic. If you have any ideas or connections, or if you can HELP with the Classic or with this search, please contact Linda Coffeen or Mike DeSena  703-477-8926.

AND, we are looking for another place to DANCE on the weekend, Saturday OR Sunday, afternoon or evening that is open to the public, where we can play our own beach music. A centrally located place similar to what we once had at Legends in Manassas (some of you will remember) is what we're looking for. Contact Janis at janigrimes@cox.net or 703-536-7362 with suggestions. THANKS to those who have already responded to this request!!

LIST, LIST...WHO'S GOT THE BEST LIST

Everybody has lists. We DJ sorts have lists too.

We have our Monthly Top 20, which we get bugged about six to eight times a month by the list people. Some of us have a list we bring each time we play, hoping that our guess as to what people will dance to will be on that list. And as we age (like me), some of us have to bring a list to jog our memory of what we think should be played! Some of us also have that infamous "DON'T PLAY UNDER ANY CIRCUMSTANCES" list.

This later list is usually where we put music that we don't personally like too much. That's not to say someone else won't like it. But ah yes, remember the DJ answer to that..."I didn't bring that song with me."

In our DJ Association, we have lists. A monthly top 20 which we don't get bugged about until a general membership or board meeting. We also have an end of the year list to come up with the Top 50 songs for that particular year.

Some DJ's get lists from people within a shag club or nightclub they play. We get handed this list as if the person writing the list has a crystal ball or all knowing mind as to what people will dance to. And even worse, some of these "list makers" just want the same old songs played, without ever listening to something new or different.

An example of this is playing a birthday song. There are several good ones to choose from. Just because a DJ plays one rendition that is not usually played...does that make it wrong, inappropriate, or is it that the listener is just so used to hearing the same song over and over, they question a new song?

Many people ask DJ's about their all time favorite top 5, 10, 20, 50 or 100. It may be an easier task, for some, to ask what is your all time favorite Classic Rhythm & Blues, Classic Beach, Smoothie, current Beach, or Motown. On that note, I decided to list a few of my favorites in these genres. Send me some of yours...we'll print em!

Classic Rhythm & Blues: Not Trustworthy (A Lyin' Woman), Tanqueray, Morning Noon & Night

Classic Beach: 60 Minute Man, Shakin' The Shack, Sick and Tired

Smoothie: Who Do You Know In Heaven, I'll Always Be In Love With You, Outside of Paradise

Current Beach: I Want A Love I Can See, Is The Magic Still There, Something Smooth

Motown: Everything's Coming Up Love, I Don't Wanna Loose Your Lovin', Tryin' To Love Two

Until next time... See ya on the dance floor!
