### PRESIDENT'S LETTER--- JANIS GRIMES

Dear All,

Another year has flown by, and again, I could write at length – and perhaps with a bit of eloquence - about what it has meant to me to serve as president of the Northern Virginia Shag Club. It is a significant responsibility, and I have done my best to fulfill the responsibilities of the office and take good care of the club. Some may compare it to herding cats; others may be reminded of pushing a snowball uphill. I am reminded of the vaudeville routine with 10 plates spinning on sticks, all going around at once, in happy harmony. And then the slapstick humor of someone dashing to and fro, trying to keep them all going at once. Suffice to say it has been an honor, as well as a lot of work.

In the remaining weeks of 2006, I want to THANK the 2006 Board of Directors, Committee Chairs, and ALL of YOU for your support, your hard work, and your friendship. This board has worked very hard to make the magic happen for YOU. I am grateful to those who have shown their support throughout my 2 years as president. You have my deepest appreciation for that support and encouragement, no matter how small or large. Your enjoyment of this club makes it all worthwhile.

Happy Holidays, Merry Christmas and Happy New Year to All! On Saturday, December 16<sup>th</sup>, you are invited to celebrate the holidays at our Annual Holiday Party, to be held this year at the Fort Myer Community Center. This event is FREE FOR MEMBERS; there will be a \$10 charge for guests. The Springfield VFW was sold, and so we thank Tom Brett for making the arrangements for us at Fort Myer this year. There have been some policy changes at Fort Myer, and there will be a CASH BAR ONLY, with reasonable prices – absolutely NO BYOB will be allowed. This is a military base, and your car will be searched as you enter Fort Myer. The delicious Pot Luck Dinner will be provided by members – please contact Debra Parrish at (703) 369-6688 or email [debraparrish@comcast.net](mailto:debraparrish@comcast.net) to coordinate what you will bring. The flier with more information is posted on our website at <http://www.nvshag.org>.

Looking forward, we have a lot of fun and excitement coming up next year, and David Rodgers and the 2007 Board of Directors will make that happen for you. Please invite your friends, neighbors, coworkers, and family members to enjoy our club. We never know who will get hooked on SHAG!

Please remember, the legacy we pass on is the love of BEACH MUSIC and SHAG DANCE. It is a special gift... please protect it, nurture it, and share it, for future generations to enjoy.

Dancing is joyful... Share the joy!

## *Members' Corner...*

**JOHN WOOD** Our sincere condolences go to John on the loss of his mother, MOLLY WOOD. She passed away on October 21<sup>st</sup>. The family has chosen "Albuquerque Christian Children's Home" for those who may wish to contribute in memory of Molly Wood. The address for contributions is: 5700 Winterhaven Road, N.W., Albuquerque, NM 87120.

**JANET CAVE** Our thoughts and prayers go to Janet whose mother died very recently. She sent this note for the *Shag Rag*: "I'd like to thank everyone for their kind words, thoughts and prayer following the recent passing of my mother. I know that it is the support of friends such as you that will help me get through this sad time".

**A NOTE FROM NANCY GEHLEY:** NIH informed me that I did not qualify for the latest protocol but that I qualify for the one that removes the lymphocytes in a dialysis type procedure. The docs will discuss my case and decide what day in December to bring me in for the lymphocyte removal, then they have to grow the cells for 3 weeks, so I will probably have my treatment after the first of the year. That actually makes me happy to think that I can enjoy the holidays with family and friends and can face the "big" treatment in January. Many thanks again for everyone's prayers and concerns. I hope you enjoy the holidays and I will let you know any news as it becomes available. All continued prayers are gratefully accepted. Please also include in your prayers my friend, Faith, who is in my Melanoma support group and who had a recent setback. Hugs, Nancy

**H.K. Lee had surgery** H.K. had recent surgery and we hope that he has quick recuperation and full recovery...Please continue to keep him in your thoughts and prayers. Cards may be sent to his home, 8012 Craddock Road, Greenbelt, MD 20770. Get well soon HK! We think of you often.

**Lou Toler...** Our former member who was in a serious motorcycle accident several months ago, is steadily regaining her strength. Her NVSC friends may send a card to her address: 3009 Rubino Circle, San Jose, CA 95125.

### **Howard Eric Christie**

We have received sad news about the passing of our long time member. He died November 25<sup>th</sup> and was buried December 8<sup>th</sup> at the Culpeper National Cemetery. Howard joined our club shortly after its inception in 1993. He was dedicated to learning the shag dance and attended our Wednesday night dances regularly, even though he lived in Stafford, which is a good distance away! He, like many others, was inspired by the shag pros, Jackie McGee and Charlie Womble. Howard frequently studied their videotaped lessons and practiced what he learned on Wednesday nights. He was not the type to say much but he was friendly and you could tell that he really enjoyed the shag. Howard was also very considerate. He sent my brother (who has serious liver problem) a catalog containing an assortment of natural herbs and selected the ones most appropriate for my brother's condition. Danny really appreciated Howard's thoughtfulness. Did you know that Howard wrote a book of poetry? It was published in 1985. *Beyond the Distant Shore* is a collection of his work. He gave away several books to his shag friends a few years ago. Not only were we surprised but, we were delighted to learn a little more about Howard and his talent as an author. We shall miss him.

### A Note from Kari Jones...

Dear Northern Virginia Shag Club, Thank you so much for all of your generosity! Your love and support for my dancing helps me continue to reach my dreams and goals! I feel so blessed to have so many wonderful people involved in my dancing. Thank you so much!

Love Always, Kari Jones

Other news: Last month, the winners were announced for our fundraiser, the silent auction for 15 minutes of dance with the volunteer shaggers....and the winners are:

**Nancy Roop** won 15 minutes of dance with **Larry Boyer and Tom Brett**; **Joan McKinney** had highest bid for **Steve Booth and Victor Clemann**; **Carol T (Taousakis?)** won 15 minutes with **Russ White**; **Liz Kestler** won 15 minutes dancing with **John Wood**; and **Dale Rinker** won 15 minutes each with **John Seely and Mike Deese**. Many thanks for all who participated. The auction was a success and we really appreciate your support. Thanks, Janis

**CONGRATULATIONS to Kari Jones** on receiving the Junior Scholarship Award at this year's National Living Legends of Dance event. Kari is in her first year at college. She is most deserving of this award, and deserves all the recognition and honor that goes with it. Kari and her dance partner, **John Tyson**, performed a stunning exhibition dance at the Legends event. They will dance on the **National Shag Dance Team** this year – they make Virginia Shaggers proud!

Old news, but not forgotten! We want to thank those who participated in the Halloween contest. It was a site to behold! The first place winners were: **Sandy Farwell and Tom Brett**; second place **Charlotte Ashby, Jean Teele, Larry Boyer, Linda Coffeen and Barbara Hallead**; third place: **Ann Thompson and Debra Parrish !!!** Congrats to all!!

Thank you to all who participated. The election and campaign went well due to the diligent and dedicated members of the nominating and election committee. NVSC received by mail and/or in person more than 150 ballots—this seems to be 50% more than in years past. On a humorous note, there was one write-in vote for Minnie Mouse and some write ins for “live” members! Kudos to Tom Brett for chairing this committee.

2006 was another year in which we've lost some great entertainers. One which will be sorely missed is a native of Portsmouth, Virginia. Miss R&B, Ruth Brown passed on November 17. To all of those who passed in 2006...keep on playing, we'll get there to listen again.

## **RECIPE FOR A GOOD YEAR**

Take twelve whole months, clean them thoroughly of all bitterness, hate, and jealousy--make them just as fresh and clean as possible.

Now cut each month into twenty-eight, thirty, or thirty-one different parts, but don't make up the whole batch at once. Prepare it one day at a time out of these ingredients.

Mix well into each day one part faith, one part patience, one part courage, and one part work.

Add to each day one part of hope, one part faithfulness, one part generosity, and one part kindness.

Blend with many parts of prayer, one part meditation, and one good deed.

Season the whole with a dash of good spirits, a sprinkle of fun, a pinch of play, and a cupful of good humor.

Pour all of this into a vessel of love. Cook thoroughly over radiant joy, garnish with a smile, and serve with quietness, unselfishness, and cheerfulness.

Your final results may very depend on your attitude.

Have a Happy New Year!

I'll see ya on the dance floor in 2007!

## A Lesson in Class By Janis Grimes

Although I was born in Washington, D.C., and raised in Northern Virginia, I have roots in North Carolina. My mother was from Henderson, and so we made that road trip and visited my grandparents often when I was growing up. My older brother was born and raised in Durham and attended Duke University. I attended college at (where else?) East Carolina in Greenville, and I still have friends and relatives in North Carolina.

Just thought I'd mention it in case someone might have the mistaken idea that since I'm a "native," then I must be a Yankee or something close to it. (humor, haha). But, everyone knows that Northern Virginia is not "the North" - don't they? This area has an abundance of memorials, souvenirs, artifacts; you can hardly go a mile without spotting some historical marker or other, noting an event of significance from the Civil War, which was fought all over Virginia, by the way. But I digress.

***Class - some have it, and some don't. By "class" I mean that quality possessed by people who know just how to put others at ease, and go out of their way to make sure that you're comfortable and that you're having an enjoyable time.***

One of the hallmarks of the shag world is the way shaggers treat people. I have never - in all the shag events, weekend functions, and the times I've been to Myrtle Beach - ever seen any sign of disrespectful or discourteous behavior among the shaggers, even with all that partyin' going on!

Of course, there are exceptions to everything, but in this case it must be truly rare. Okay, once there was a gal on an elevator who'd had waaay too much to drink, and I uess she forgot she was in mixed company. But still, she wasn't confronting or insulting anyone else.)

The point is that there is a sense of elegance and refinement that permeates the South, and it is prevalent among shaggers. Another thing is their insistence that women be treated with respect - their code of behavior does not tolerate rudeness, and I like that. I like that a lot.

One of the things I noticed at my first shag weekend (besides the !!Music!! reverberating out of the ballroom) was the friendliness of the people. how they went out of their way to make newcomers feel welcome; how they'd talk with you, dance with you, draw you in and make you feel like they were genuinely glad you were there. (They were!)

This graciousness seems to be second nature to Southerners, who are born and raised with a sense of gentility and warmth that oozes out. It gets in and around and under you, and lifts you right up in a Southern embrace.

The Nation's Capital draws people from all over the country and from around the world. But it is still very much a city with a distinct Southern flavor and charm.

And the Northern Virginia Shag Club is drawing new members at an impressive rate, because we're more than just a dance club. We offer great music and dancing, but also great people, camaraderie, friendships, road trips, vacations, and a lot more fun than you'd expect. Shag - a Southern dance of style and grace. What an unexpected lesson in class. ***Reprinted from the Carefree Times, 1995***
