Keep on Shagging'

Vol. IX, No 11

President's Message by Pamela Alfano

November is here and that means that it is time to elect new officers and directors. There are candidates who have never served on the Board, which will hopefully result in some new ideas. Please look over the bios of the candidates in the *Shag Rag* and mark your ballot. You may send your ballot to our Nominations Chairperson, Valerie Swiger, or bring it with you on election night, November 20. The ballots will then be tallied and the results announced that evening.

The Search Committee has completed its survey of possible new dance locations. Consequently, *on November 20, we will also be handing out ballots to vote on our new regular Wednesday dance location.* The ballots will contain the narrowed down list of places which have been identified by the Committee as meeting our needs. If you want to be part of the decision, be at Cecilia's to cast your vote. The results will also be announced before the end of the evening.

We have a good group of people meeting at Cecilia's on Wednesday's, but it would be great to see even more people attend. While we are there to see our friends and have a good time, we are also there to dance. I have been noticing that there are some people who are not dancing. This is particularly true of the newcomers, especially the ladies. Although we constantly remind the women that it is okay to ask a man to dance, some remain somewhat reluctant to do so. Ladies, times have changed and it is okay to ask the men to dance! Men are usually flattered if a lady asks them. Gentlemen, if the ladies are not asking you, please ask them. If you notice someone sitting by themselves or just standing around not dancing – ASK. If you want to dance – ask someone. Don't wait for them to ask you. It is only three minutes of your life and it will probably turn out to be a pleasant experience. Try it! Each week, try to dance with at least one person with whom you've never danced before.

The National Shag Champion Michael Norris workshops and dance were a wonderful success. Michael shared his vast knowledge of the dance with us during the daytime and then entertained us with his incredible talent in the evening. Many of us also had the opportunity to take a private lesson and get acquainted with Michael. Heather Jennings did a terrific job of organizing the workshops and arranging Michael's schedule. She also gave him a schedule for meals, snacks, showers, sleep, phone calls, etc., and Valerie Swiger took responsibility for keeping Michael on track. Talk about the military... Betty Abshire and her eager volunteers put out a wonderful array of munchies, and Billy Waldrup's music kept the floor packed all evening. Thank you to everyone who assisted in making it another successful NVSC event. If you enjoyed Michael Norris (or even if you missed him), put our January 4, 2003, Charlie Womble and Jackie McGee workshop/dance on your calendar now.

HAVE A HAPPY THANKSGIVING AND – KEEP ON SHAGGIN'!

Pamela Alfano
President

As a member of the NVSC for approximately six years, I have been involved in many of the activities and endeavors of the Club. I have been on the Board for over four years, as Secretary, Director-at-Large, Vice President and President. I headed the Decorations Committee for the 2000, 2001 and 2002 Shag Classics and served as Chairman of the Fundraising Committee in 2000 and 2001. The experience of serving as President in 2002, has prepared me to face the challenges which lie ahead in 2003. If re-elected as President, I plan on continuing our efforts to make our Shag Club as good as it can be while maintaining our primary purpose of promoting and preserving beach music and the Carolina Shag.

Larry Boyer
Vice President

The attendance at our regular Wednesday night dances has been going down gradually for about a year. This is the main concern facing our club. Fortunately, it is a problem that can be fixed. One reason for the decline stems from difficulties we have had in maintaining a suitable location. Beginning with the work of David Rodger's search committee and continuing with the October 18 meeting at the Coast Guard Station, where all members were invited to discuss this topic, the process for selecting a suitable location is under-way. I support having a general membership vote on the final location, maybe with more than one ballot if the first round is close. No one should feel left out of the decision making process. Then, once the votes are counted, hopefully, everyone will support the decisions by attending the Wednesday night dances as often as possible.

Vaughn Royal
Secretary

Years in Club: 4-1/2.

I am presently a member of the Board of Directors, holding the office of Secretary and chairing the Music Committee. Last year, I was a Director-at-Large and served as liaison to the Dance Committee. I chaired the Audit Committee twice, and have been a member of the Music Committee, the Dance Committee, the Charity and Fund Raising Committee, the Nominating and Elections Committee, and other committees. This is my second year as carrier of the "green bag". I enjoy teaching the dance and particularly value the friendships made since I became involved in shag. I make a point of attending other local and out-of-town dance events and meetings of the Association of Carolina Shag Clubs not only for fun, but also because of the importance of keeping our Club visible in the larger shag community and learning from the experiences of other clubs.

Reason you want this office:

I have enjoyed serving as Secretary this year. If re-elected, I hope to help establish the Club in a new home for our weekly dances, contribute to the growth and development of the Club, and build upon the strong foundation created by the Club's founders and previous Boards of Directors.

Dennis Gehley
Treasurer

I would like to continue to be your Treasurer for another year because it is a pretty cool job and one of the few things I really like to do with my volunteer time. I'm good at number crunching and I like working with people to get things done, and this job lets me do both - work with numbers and crunch people. With 5 years' experience at this position, I can help new Board members understand how far NVSC has come, money-wise, and what we can do together to keep the club financially strong. We are like a small business that somehow manages to throw a \$25,000 birthday party every year, raise \$15,000 to \$20,000 for Hospice of Northern Virginia, and still have enough money at the end of the year to throw a free holiday party. So when you vote for me, remember my platform: "How many other fools would do this job?" Thank you

DIRECTORS AT LARGE

Fred Whitman

I have been a member for 8 years. I have served as director on a previous board and on the Music Committee. The reason I want this office to give experience and to ensure that club members have a good time. That's why they joined. Good music, good people FUN.

Cathy Metcalf

I have been a member for 5 years. During that time I have served on the dance committee, audit committee, nominating committee and was co-chair for the 2002 Shag A Thon.

The reasons I want this office.

I feel that my schedule for the upcoming year will allow me the opportunity to serve and give back to the club some of what I have received. To elevate my guilt over enjoying the club as much as anyone ever could without making this type of contribution to its existence.

Jane James

I have been a member for 6 years. I have assisted the board members and their committees by volunteering for club functions and projects.

The reason I want this office:

I enjoy the club and the members so much. I want to help keep NVSC a place we all want to come and have a great time and dance.

Gary Salpini

I have been a member for 10 years, served on the very first board and am one of the 13 original founders of our club. During my membership I have assisted in the design and building of our dance floor and volunteered at club functions.

The reason I want this office:

To help the club grow.

Dave Rapson

I have been a member for 10 years, served on a previous board as treasurer and am one of the 13 original founders of our club. During my membership I assisted in the design and building of our dance floor, arranged for the storage of the dance floor for a number of years, and volunteered at club functions. More recently I prepared the barbecue for this years Classic.

The reason I want this office:

To help the club grow.

Betty Abshire

I have been a member for 7 years. I have served on the Board of Directors for the last five years. During this time I have served as the Chairperson for the Social Committee. The job is comprised of seeking facilities to hold social functions and to orchestrate food for the occasions.

From Larry Boyer, Communications Chairman:

- 1) The NVShag Club has a "**Hotline**", 703-960-4254. By dialing this number and selecting the Hotline mail box you can hear information about coming attractions - like the next Beginning and Intermediate lessons, the next major shag club sponsored event, or possibly, last minute cancellations. Any messages left in the hotline mail box will not be heard. **If you want to leave a message for the club, there is a mail box for that purpose at the same number.** Messages left in the shag club mail box will receive attention, but likely not a rapid response.
- 2) The Club also uses an **auto-dialer phone tree system** to keep you informed about special events. It automatically dials a list of numbers and delivers a recorded message to whoever answers, person or machine. Included in the calling list are all member phone numbers with **703, 202, 301, 240 or 571** area codes that can be dialed from the Alexandria area without needing a 1 prefix. If you are outside this calling area and still want to be informed about the phone tree messages, then you may want to make an arrangement with a friend in the calling area willing to pass along to you important messages.
- 3) During the message, you can make it **repeat** by pressing your "**star**" key. We use this system about 2 or three times per month for important announcements and reminders. Messages are delivered mostly during the day and never before 10 AM or after 9 PM.
- 4) If you would like to be removed from this list just leave a message in the shag club mail box asking your number to be removed from the phone tree list.
